MR. LAWRENCE IS G.M

Mr. Bristol John Lawrence

On behalf of the staff of DSWMC, Solid Waste News congratulates Mr. Bristol John Lawrence on his appointment as General Manager of the Corporation.

His promotion started from 1st January 2012.

He had been acting as General Manager since December, 2010. During that period he continued the duties as Accountant.

Mr. Lawrence has been employed with the Corporation for the past 5 years.

The Corporation pledges its full support to his promotion.

SMART BINS PROGRAM SUCCESSFUL IN ROSEAU

Sixty (60) Smart Bins have been placed in the city of Roseau. The program started late last year, during the start of the Cruise Ship season in October. The bins are a part of the Adopt A Block initiative, which was launched, by DSWMC, in collaboration with Discover Dominica Authority and Roseau City Council.

The Smart Litter Bin initiative has since reflected a cleaner city. To date, twenty-seven (27) businesses have adopted blocks in various parts of Roseau.

USING THE SMART BIN

The cost per receptacle is \$700 and includes installation and first year collection and disposal by the DSWMC.

PAPER/CARDBOARD RECYCLING PROGRAM BEGINS

The Corporation started its paper /cardboard recycling program in January, 2012. A number of meetings have been held with Government and Non Government

Offices and businesses, to partner with them for the collection, storage and disposal of office paper, cardboards, newspaper and telephone directories.

Offices and businesses must store these items in clear plastic bags which can be purchased from the Corporation and ensure that the items are kept dry.

Upon request the Corporation will collect paper/cardboards on Tuesdays and Fridays.

NEW UNIFORMS FOR STAFF

Jean mark Merrifield

The Corporation's field staff received their new uniforms recently.

Drivers, Truck Attendants and landfill staff are encouraged to wear their uniforms and protective clothing at all times on the job.

CREW OF THE YEAR

(L to R) Glen Ettiene, Kerwin Letang, Alvin George (Truck Attendants) and Serge Lawrence (Driver) TASK FORCE

“Very committed, determined, hardworking, reliable, efficient, and polite.” These are the words used by the Collections Manager, Mr. Florian Mitchel to describe the team of the year for 2011.

They are called the “TASK FORCE.” They work everywhere, North, South, East and West; whenever they are called to duty; day, night, rain or sunshine. The “TASK FORCE” is being recognised by the Corporation for their continuing commitment to keeping Dominica clean. We all say thanks.

THE DSWMC WOULD LIKE TO THANK OUR MANY PATNERS WHO CONTINUE TO SUPPORT US IN OUR REDUCE, REUSE AND RECYCLING EFFORT.
